Oh ! Hello, there.
Congratulations
Thank you.
The reason I've called you here today is that we plan to open a photo exhibition based on your photos.
Excuse me??
I find your photos different. I could feel that you actually care about animals.
The exhibition is for animal protection awareness program. So, why not.
But I am a student ...
Don't worry about that. We will take care of any paper works. I do need some more photos though since it's a little big.
하하하
Hahaha
I see. That is not a problem.
Now, how should we arrange the photos... Do you have any ideas?
Um ...
